DINO-LIGHT
A GLOW-IN-THE-DARK ADVENTURE

Specifically designed for children with autism, Down syndrome and other sensory processing differences and special needs.

1

When I go to Dallas Children's Theater to see *Dino-Light*, I will see a sign that says "Rosewood Center for Family Arts".

2

When I enter Dallas Children's Theater, I will be in the lobby.

3

There will be activities in the lobby.

4

We might have to go to the Box Office to get our tickets. We may have to stand in line and wait.

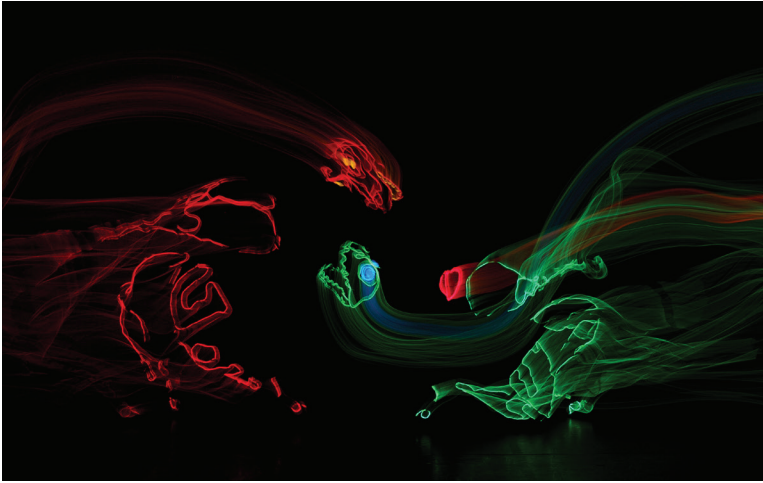

5

When it's time to go into the theater, a Helper in a white shirt will scan my ticket.

6

During the show, I will sit with my family. There may be some people I don't know sitting near me.

7

During the play, the actors will be on stage.

8

At the end of the show, the actors will bow and the audience will clap. If the clapping is too loud, I can cover my ears.

9

After the actors bow, they will do a brief demonstration and talk-back with the audience and I will get to see how they create their creatures and how they perform with them.
